DGS Invitational Charity Golf Tournament

The FSJACL has been invited back to the DGS annual Invitational Golf Tournament again this year which is being held on August 15th. Since 2007, DGS and their affiliated business sponsors have raised over \$183,000 for the FSJACL through this tournament. Thank you DGS for your continued support!

Thank you Fort St John for another wonderful Pay It Forward Day! It took place on June 13th this year, which made for a very positive Friday the 13th. It was heartwarming how many joined in; The Flower Hut donated vases full of flowers that were given to random people, baking was handed out, yard work and gardening done, as well as various other acts of kindness. There were also many reports of the community doing their own random acts of kindness; which is truly what makes the day so great, thanks FSJ!

CARF Accreditation Survey

On July 28th CARF sent a team of professionals to visit the FSJACL and evaluate our services for quality. The surveyors consulted with staff members and interviewed people who use our services. This turned out to be a very rewarding and encouraging experience for the FSJACL. Stay tuned for the results!

The FSJACL has been providing these inspirational learning modules to our staff for some time now and would like to extend the invitation to families in the community and also to employers who want to learn more about supporting people with developmental disabilities. If you're interested in learning more about the modules, please contact Cindy Mohr at (250) 787-9262, ext 222.

Family BBQ a Hit

July 18th was our family BBQ - held at Charlie Lake Provincial Park. Many family members attended and enjoyed lots of great food and fun.

AimHi Summer Camp

23 people we support will be going to Ness Lake Camp September 16th to the 19th. AimHi (PG Association for Community Living) hosts this camp and we were fortunate to be invited!

OUTCOMES

Our 2013-2014 Outcomes Management Report is now available!
Read it on our website

At the Fort St. John Association for Community Living, we actively and progressively involve individuals with developmental disabilities in the community to the best of their abilities, giving them a safe environment to grow, develop, and reach their potential so they can live full lives in their community - by celebrating their abilities, successes, gifts, and dreams, we can help people reach their potential.

Providing quality services to adults with developmental disabilities for over 50 years
